

Eating Responsibly

We make choices that are good and wise.

Listen to our advice!

Fruits and vegetables our farmers grow.

We're proud to eat Maltese.

Come join us if you please!

Refrain: We love to eat right.

Yes we are smart!

Take care of our bodies
with every little bite.

We will grow stronger.

Yes we will conquer.

Responsibly,

Sustainably,

we'll have better lives

if we try.

Food is precious and a gift to us

be careful, make sure we do not waste.

We take charge of what goes in our plates.

Give value to Fair Trade

make sure the farmer's paid.

Refrain: We love to eat right.

Yes we are smart!

Take care of our bodies
with every little bite.

We will grow stronger.
Yes we will conquer.
Responsibly,
Sustainably,
we'll have better lives
if we try.

How do we eat?
