

Resource: 14. Under-the-water experience  
Appendix: 14.4 – Reflective Questions

## List of Reflective Questions

- 1) How would you imagine to feel when diving? Do you imagine yourself diving in polluted water?
- 2) What did you discover when learning about under-the-sea life?
- 3) What is the living thing you admire most from underwater?
- 4) Do you think people are doing enough to save marine life?
- 5) Can you mention some good practices in favour of sea life?
- 6) What else can be done to save marine life?
- 7) How can we protect the species living underwater?
- 8) How can we reduce the use of plastic?
